1. USE All lots within the subdivision shall be known and designated as residential buildings plots. A residential building plot shall be any one single lot or a lot plus a portion of another lot or lots. No structures shall be erected, altered, placed, or permitted to remain on any residential building plot other than one detached single-family dwelling not to exceed two stories in height and a private garage for not less than two automobiles and other out-buildings incidental to residential use of the plot.

2. The Architectural committee shall not be liable for any approval, disapproval or failure to approve hereunder, and its approval of plans, specifications, plot plan and other submittals shall not constitute a warranty or responsibility for building methods, materials, procedures, structural design, grading or drainage or code violations. The approval, disapproval or failure to approve of any plans, specifications, plot plans or other submittals shall not be deemed a waiver of any restrictions, unless the Architectural committee is hereinafter authorized to grant the particular waiver. Nothing herein contained shall in any way be deemed to prevent any of the owners of property in the Subdivision from maintaining any legal action relating to improvements within the Subdivision which they would otherwise be entitled to maintain. No building, outbuilding or other structure shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications, design and plot plans, showing the location, type of construction, external design and exterior materials of such building, have been approved by a Committee composed of Paul B. Neither the members of such committee, or its designated representative shall be entitled to any compensation for service performed pursuant to this covenant. The powers and duties of such committee, and its designated representatives, shall cease on or after January 1, 2016. Thereafter the approval described in the covenant shall not be required unless prior to said date, and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded appointing a representative or representatives who shall hereafter exercise the same powers previously exercised by said committee for a period specified therein.
